Guidelines for Filling in the China Online Visa Application (COVA) Form

(*)This website supports the following browsers: Google Chrome, Microsoft Edge, Mozilla Firefox (version 54.0 and higher), and Safari (version 10.0.1 and higher).

- When filling in the application form, if you want to move to the next or previous page, please click the "Next" or "Previous" button at the bottom of the page, and do not use the forward or back-word function of the browser.
- Please fill in each column correctly. The items marked with "*" are mandatory. You have to answer all the mandatory questions on the page before proceeding to the next step. Some of these items have the option of [Not Applicable]. If a question does not apply to you, please tick "Not Applicable" to proceed.
- If you have questions about the items in the COVA, you may click the "Help" button on the upper right corner to get help.
- You may click the [Save] button to save an unfinished form, but the contents can only be kept for 30 days in the system. You can continue to fill in the unfinished form within 30 days by logging in to your account.
- Please make sure the form is correctly completed before you click the "Submit" button. Once the application is submitted, you cannot make any changes.
- After submitting the application, you need to upload the electronic version of the application materials, which should be clear and complete, as required by the relevant Chinese Embassy/Consulate.
- The relevant Chinese Embassy/Consulate may require you to make an appointment for a video interview and subsequently make an appointment for a visit to the Chinese Embassy/Consulate to submit your passport. Please closely follow the status of your application.
- Please fill in the form in Chinese or English.
- The system only accepts visa applications for entry dates within the next 90 days. Applications submitted outside of this period will not be processed.
- Once your application has been approved, please proceed promptly to the visa centre or Embassy or Consulate to complete the visa process, in order to avoid the application becoming invalid.

Notice: Submitting the COVA Form online does not mean that you will get the visa you have applied for. The final decision on the visa will be made by the Chinese Embassy/Consulate, which may be different from your application.

The city you have chosen for your visa application is: ABUJA
