

- Log in to the Visa Application Service Center website and go to My Account.

- Find the corresponding application data based on the time when the application was submitted online.
- Click the Rejection Amendment or Rejection Supplementary Documents link in “Operation” to make corrections and resubmit your visa application.
- If you want to cancel the application, click View, then click Cancel.

The screenshot displays the user interface of the Visa Application Service Center. On the left is a sidebar with a 'Logout' button and a menu where 'Completed' is highlighted with a red box. The main area shows search filters for 'APPLICATION NO.', 'Passport NO.', and 'Created date' (2025-03-01 - 2025-05-27), with the search criteria highlighted by a red box. Below the filters is a table of applications with columns: APPLICATION NO., Passport NO., Status, Created date, and Operation. The 'Operation' column contains links like 'View' and 'Rejection for modification', which are also highlighted by a red box.
